# ABOUT US

The Global Entrepreneurship Centre (GEC) is a transformation hub for scaling sustainable technology innovation and entrepreneurship. It addresses the scaling challenges of promising sustechs -deep-tech start-ups with a clear sustainability and climate protection focus -from all over the world.

The Global Entrepreneurship Centre is based in Meerbusch near Duesseldorf, Germany.

## Scaling for impact.

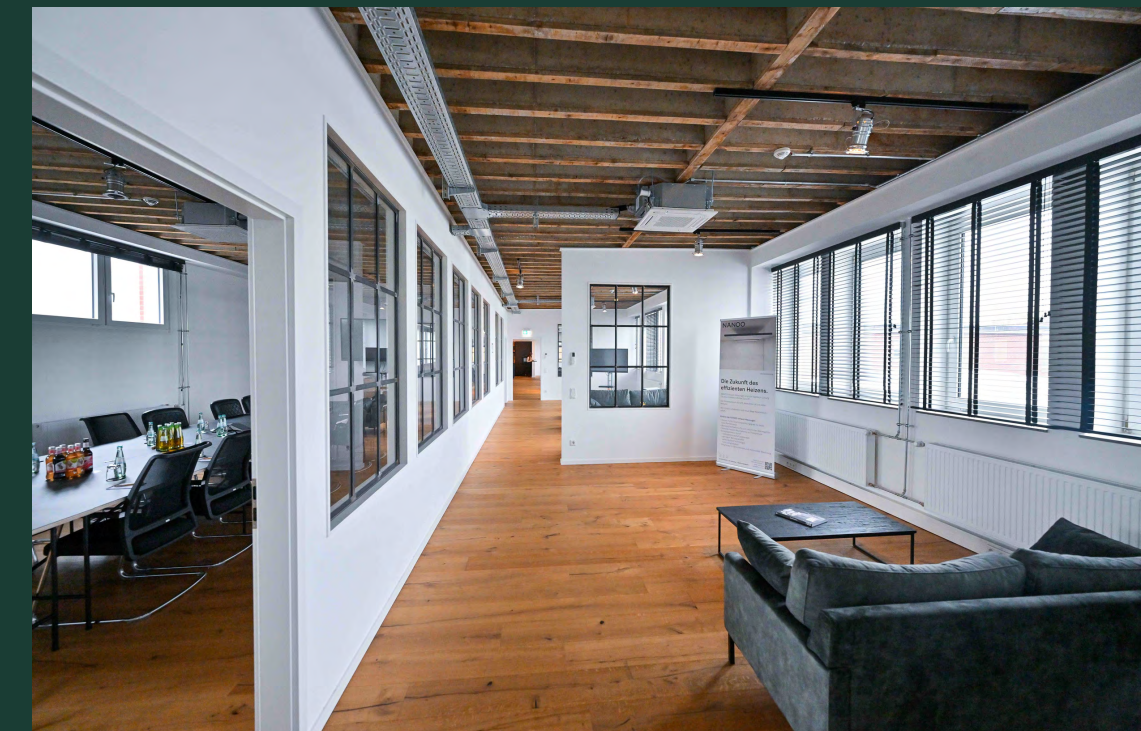

# GEC RENTALS

Looking for the perfect venue to host your next meeting, conference, workshop, or event? Our GEC event space has you covered!

With two meeting rooms that can accommodate up to 14 people each and our event studio that can accommodate up to 100 people with a flexible set up, we have the facilities and expertise to make your event a success.

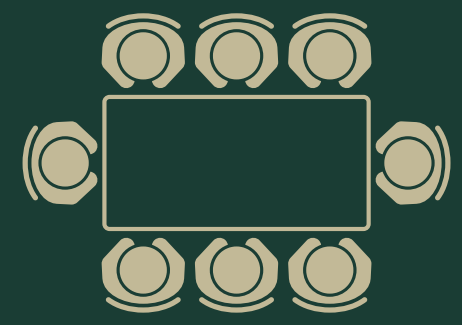

Our modern, industrial design is sure to impress your guests and provide the perfect scenery for your event.

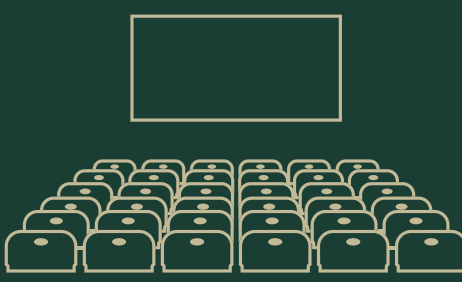

# EVENT STUDIO

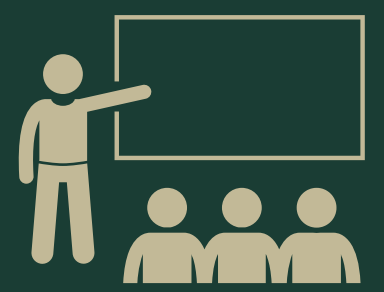

Our Event Space offers the perfect framework for your event! The many seating options make the space suitable for smaller groups of 25 to larger groups of 100 people. Whether it's a conference, lecture or networking event, we have the right setting for everyone.

26 Persons

60 Persons

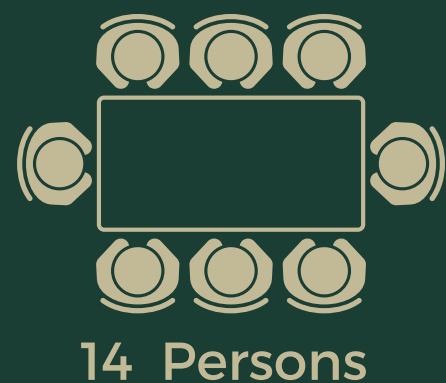

100 Persons

# MEETING ROOM PARIS

Our meeting room "Paris" offers seating for up to 14 people. Large windows on both sides make the room bright and inviting. This is why the room is well suited for meetings, conferences or smaller workshops.

# PRICING

Prices of our event space, meeting room and the rest of the area. Please contact us for your event so that we can make you an attractive and individual offer.
